Subject: New Meeting and Event Proposal Scheduling Form for Secretarial, ASLM and Director Visit Requests

With the recent confirmation of Secretary Kempthorne, a new format has been developed for requesting Secretarial visits for events or meetings (attached).

Effective immediately, all scheduling requests for the Secretary will be made using the attached form. This same form will be required for requesting Assistant Secretary and Director visits.

A copy of the new format is has been saved on the CASO External Affairs P Drive in the formats folder. The form is also posted on the BLM Intranet site. To access the scheduling request form via the Intranet, go to <http://web.blm.gov/internal/wo-600/610> and click on Internal Communications, then click on Director's & Secretary's Travel.

While this is the first operational change to be announced as Secretary Kempthorne begins his appointment, we can expect additional changes over the coming weeks. We appreciate your patience as we modify our procedures and practices during this time of transition.

Please consider inviting DOI and BLM officials to events and meetings in California as appropriate opportunities arise. As always, any request for Secretarial or Director visits to BLM California events should be coordinated through our State Office External Affairs staff.
